

# Appartamento casa vacanza Kaporo Bionaz Valle Aosta

## "The Fireplace"

 Large studio apartment for 4 persons.

Very luminous, with mezzanine, bathroom and balcony.

A double bed is situated on the mezzanine, and a sofa bed, 2 places, in the living room. Fireplace, Stereo CD, washing machine, oven, TV.

The house is located in Ru, village composed totally by 7 stone made houses, and it's exposed south, on the sunny side of Bionaz valley.

Surrounded by forests, it's far for all noises and traffic.

The fountain of the village provides fresh water (you don't need to take bottles of water with you!), and the village's oven can be used to prepare barbecues.

The parking is in front of the house and free.

The road ends at the village.

The village is the departure point of hiking trails, trekking and climbing walls.

Furthermore the valley is particularly rich in alpine lakes and wild nature.

At 5 minutes the Lexert lake offers you a green area ideal for children and equipped for making barbecues.

The rental price includes: hot water – electricity – gas – taxes - one box of wood for the fireplace

Arrivals on Saturday, from 12 to 16 hr.

Keys will be provided directly at your arrival. It's possible to arrive in other moment if you inform us in advance.

We suggest to take with you warm clothes also during the summer, as Ru is located at 1'700 amsl.
